

## PROUD TO CELEBRATE OUR VOLUNTEERS

The Devides PCN is proud to recognise the generous support of our community of volunteers who regularly help out at both the Leg Club and the Covid Vaccination Clinics.

Without the support of our community of volunteers—many of whom have been tirelessly offering their support on a weekly basis over a number of years—it would not be possible for the PCN to offer the seamless, warm and friendly environment in which these clinics thrive.

### Barry Newton, Heather and Roy Inchley

Barry Newton, Heather and Roy Inchley, who regularly help at the Devides Leg Club were the winners of the 2022 Leg Club Volunteer Award. To celebrate this accolade, all three were invited as the prestigious guests of Ellie Lindsay OBE, Founder of the Lindsay Leg Club Model, to attend the Annual Leg Club Gala Dinner and Conference.

This is the second time that the volunteers of the Devides Leg Club have received this award, which is only presented to one Leg Club each year, with nominations welcomed from all Leg Clubs nationally.

## Barry Newton

Our long standing Leg Club Volunteer, Barry Newton, received further acknowledgement when he was awarded the BBC Radio Wiltshire “Make a Difference Award” earlier this year.

This award is to recognise the people who do so much to improve the lives of others, and who make a real difference in our community.

Barry often goes above and beyond to help our Leg Club patients, supporting them both inside and outside of the Club.

## Alice Boyd

Her Majesty’s Lord Lieutenant of Wiltshire came to Devizes to award Alice Boyd with a unique Platinum Jubilee award.

Alice was the only person in Wiltshire to receive this prestigious accolade, an initiative started by Her Royal Highness The Duchess of Cornwall. This award recognises Alice for her outstanding contribution as a volunteer in the year of Her Majesty The Queen’s Platinum Jubilee.

Alice Cleland, who made the nomination, said:

“I know how much volunteering

Alice has done over the years and I was reminded of this when I saw her outside the Corn Exchange in Devizes on so many cold winter days helping with the vaccination programme.

Alice has volunteered for Wiltshire Sight and The Talking Newspaper for 20 years, as a magistrate for 18 years, and as a marshal at the Devizes Corn Exchange during the early stages of the Covid Vaccination campaign.

## Les Welling

His Majesty the King appointed Les Welling a Medallist of the Most Excellent Order of the British Empire for services to his local community in Devizes.

This is the first Birthday Honours List of King Charles III and Les joined a prestigious list of people that have given extraordinary service to society.

It recognises the work that Les does in Devizes, and also for charities such as Pancreatic Cancer UK, The Loganberry Trust, military charities and many other organisations—including working as a volunteer marshal for the Devizes Covid Vaccination Programme.

**The Devizes PCN would like to extend its heartfelt thanks and appreciation to all of our volunteers who give up their time so freely to work alongside the NHS, supporting the people of Devizes.**

**We are proud to consider our each of our volunteers an integral part of our team, and are indebted to them in so many ways.**

## Thank You
